## All Dead For Lovington

Tuesday evening people began coming to the picnic. Men with peaches, apples, grapes etc., were among the fore runners, selling their fruits out pretty well to those getting ready for the occasion.

Tuesday the sight of strange faces began to grow numerous, and Wednesday, it was jokingly stated that a poster better be run up telling the people that the picnic did not start until Thursday, so many were the cars that arrived early in the day prior to the opening day for the picnic, and people commenced to lug up and down the streets as though there were many fights to be seen. And, they were not disappointed for the open air dome where the prize fights were to take place was all prepared, next to the Majestic Theatre, a photo gallery, a lunch stand, merry-go-round, shooting gallery agricultural display hall, dancing platform, cotton candy kitchen, cold drink and ice cream parlor.

Toy stands, lunch booths, tabernacle and on south side besides many other amusements which we have not time to mention.

## THURSDAY.

Our little city was aroused this morning by the music of the Carlsbad band, and our picnic and barbecue opened in earnest. Many people were on hand and by a telephone message sent in many more are expected. More cars from Roswell, and 7 were said to have been on their way from El Paso.

The crowd is expected to be increased about double tomorrow (Friday.)

We note in Wednesday's Roswell Evening News that Lovington has again been visited by the severest storm in ten years, the water standing deep in the streets of the city.

Don't forget to come in and subscribe for the Leader.

We have so been rushed this week that news is some what new but watch for the full count of affairs next week.

Higgins finally put it over Gordin in a ten round scrap and of course everyone liked the show.

## Marriage at Midway

Mr. Claude Singleton and Miss Cordie O'Neal of Midway were united in marriage at the Midway school building last Wednesday evening just before the revival services that night. Just about sunset a large concourse of people gathered outside the school building to witness the ceremony. Rev. J. H. Clouse who was conducting the revival services, officiating.

The school building being on the line, half on the Texas side and half in Mexico, the couple preferred the Texas side so were married in Texas.

Rev. J. H. Clouse reports a good meeting at Midway. Quite a number of conversions and ten accessions to the church, five by letter and five by baptism. A young peoples union prayer meeting was organized of which Miss Francis Cleg-horn of this place who has been visiting her sister Mrs. T. D. Boyd there, was appointed to take charge of as general leader.

W. R. Cole and daughters Miss Pearl and Joe, arrived Tuesday evening from Big Springs, Texas, to enjoy the Lovington picnic and visit friends while here.

## Lovington Public School TO START SEPT. 6, 1915.

The Lovington Public School will start Sept. 6, 1915. A growing interest is being taken in the school this term that bids fair to exceed any preceding term Lovington has ever had. The full corps of teachers six in number have been elected and the school will start in the old building, hoping to complete the new High School building by Nov. 1, at least. A total of 193 pupils were enrolled last term including 35 High School pupils. And the enrollment this term is expected to reach over 200, total. High School and Graded pupils.

Read Leaders motto on first page and see if it is true.

## New Parcel Post Order

Sender May Get Receipts by Paying One Cent Additional.

The Postmaster throughout the state of New Mexico have received authority to put into effect the first of September the changes recently announced in telegraphic despatches from Washington.

After the date senders of parcels will be given receipts upon the payment of one cent additional.

Larger packages may be sent. The maximum measurement beginning September 1, will be eighty-four inches against the seventy-two now in force. The weight limits, however, will remain the same. The receipt, which may be had for one cent, will remove any difficulty as to the sender's having sent a package he is trying to trace.—Ex.

H. N. Garrett and C. W. Herrell of Midland, Texas, were here Thursday taking in the celebration. Mr. Garrett stated that they had bought 50,000 head of sheep a few weeks ago from Pete Etcheverry which will be delivered about Oct. 1st.

Mr. John Culp of Brant, Texas, is visiting his brother Baxter Culp and family near Monument for a few days.

## BARRETT FOUNTAIN SYRINGE HOT WATER BOTTLE and SHOWER BATH

Attachment may now be seen at Lovington Pharmacy.

The fact that this article is made of polished aluminum and will last a LIFE TIME. Give it distinct advantage over the old style rubber syringe and Hot Water Bottle which cost the same money.

Having had several years experience in handling this class of goods I do not hesitate to recommend it as the best syringe and Hot Water Bottle on the market.
